Try and Have Two Ways Out of Every Room & Two Ways Out of Your Home.

Draw a Floor Plan or Map of Your Home. Show Windows & Doors, Front & Back, Landmarks

Mark Smoke Alarms on the Map. Smoke Alarms Should Be Installed In Each Sleeping Room/ Area and Each Floor.

Pick A Safe Family Meeting Place Outside Your Home. Refer To A Landmark Everyon Is Naturally Familiar With.

Remember Not Everyone Wakes Up For Fire Alarms. Check & Guide Young or Elderly

Practice Your Plan Twice A Year

For More Tips, Info, Teaching Aids, look at www.NFPA.org.
